(4) Fully and accurately complete all certifications on the notice of reclamation and comply with the requirements of this part.

(c) *Payment of limited liability amount.* If the RDFI qualifies for limited liability under this subpart, it shall immediately return to the Federal Government the amount specified in §210.11(a)(1). The agency will then attempt to collect the amount of the outstanding total not returned by the RDFI. If the agency is unable to collect that amount, the Federal Government will instruct the appropriate Federal Reserve Bank to debit the account utilized by the RDFI at that Federal Reserve Bank for the amount specified in §210.11(a)(2).

(d) *Violation of subpart B.* An RDFI that fails to comply with any provision of this subpart in a timely and accurate manner, including but not limited to the certification requirements at §210.11(b) and the notice requirements at §210.13, shall be liable to the Federal Government for any loss resulting from its act or omission. Any such liability shall be in addition to the amount(s) for which the RDFI is liable under §210.10 or §210.11, as applicable.

§210.12 RDFI's rights of recovery.

(a) *Matters between the RDFI and its customer.* This subpart does not authorize or direct an RDFI to debit or otherwise affect the account of a recipient. Nothing in this subpart shall be construed to affect the right an RDFI has under state law or the RDFI's contract with a recipient to recover any amount from the recipient's account.

(b) *Liability unaffected.* The liability of the RDFI under this subpart is not affected by actions taken by the RDFI to recover any portion of the outstanding total from any party.

§210.13 Notice to account owners.

Provision of notice by RDFI. Upon receipt by an RDFI of a notice of reclamation, the RDFI immediately shall mail to the last known address of the account owner(s) or otherwise provide to the account owner(s) a copy of any notice required by the Service to be provided to account owners as specified

in the Green Book. Proof that this notice was sent may be required by the Service.

§210.14 Erroneous death information.

(a) *Notification of error to the agency.* If, after the RDFI responds fully to the notice of reclamation, the RDFI learns that the recipient or beneficiary is not dead or legally incapacitated or that the date of death is incorrect, the RDFI shall inform the agency that certified the underlying payment(s) and directed the Service to reclaim the funds in dispute.

(b) *Resolution of dispute.* The agency that certified the underlying payment(s) and directed the Service to reclaim the funds will attempt to resolve the dispute with the RDFI in a timely manner. If the agency determines that the reclamation was improper, in whole or in part, the agency shall notify the RDFI and shall return the amount of the improperly reclaimed funds to the RDFI. Upon certification by the agency of an improper reclamation, the Service may instruct the appropriate Federal Reserve Bank to credit the account utilized by the RDFI at the Federal Reserve Bank in the amount of the improperly reclaimed funds.
